

## Why Choose Liniar Casement Windows?

Liniar casement windows offer total versatility with traditional British style offering slim sightlines to let in maximum light to brighten your home.

### KEEP HEAT INSIDE

With a standard four chamber or unique six chamber PVCu profile, EnergyPlus can easily achieve an A+ rating, helping you to contain and conserve heat within your property and save on energy bills.

### TRIPLE GLAZING

Liniar casement windows are available with 28mm double or 40mm triple glazing – capable of achieving a U-value of 0.8 with EnergyPlus profile whilst reducing noise.

### BEAUTIFUL COLOURS

Not just available in standard white, Liniar casement windows are available in a huge choice of colours – and with many colours available from stock, you won't have to wait months for your new windows. Ask for a Liniar colour swatch booklet to see samples of our high quality coloured foils that gives you the choice you deserve.

### CHOICE FOR HOMEOWNERS

With a range of optional extras including Mock Sash Horns, Georgian and Astrical Bars, together with a wide range of colour options, you will be spoilt for choice.

### STRONG AND SECURE

Available upgrades mean that Liniar casement window frames can hold Secured by Design status. A police-backed initiative, Secured by Design is awarded to products designed with exceptional security features as their main priority. Products that hold this certification are tested to meet the requirements of the Association of Chief Police Officers.

### LOW MAINTENANCE

Liniar casement windows will never rot, rust, or require painting – just a quick clean with warm soapy water, even with our foiled colours.
