

Why Choose Liniar French Doors?

An attractive alternative to patio or bi-folding doors, Liniar's range of French doors are an ideal choice where the aperture size is more limiting and where the homeowner demands quality, style and security.

KEEPING IN ITS TRADITION

Offering a more traditional aesthetic, Liniar's stunning range of uPVC French doors come with the same high specification and colour choices as our window range offering homeowners a wider choice.

Available in either an 'open in' or 'open out' style to suit your living space, the Liniar French door provides your home with a beautiful and secure entrance – along with a range of patented low and ultra-low threshold options including ramp thresholds for disabled access.

BEAUTIFUL FINISH

Ensuring you enjoy the maximum amount of natural light in your home, the fully sculptured features of the Liniar French door provides a beautiful finish.

Liniar French doors are not only lead-free and aesthetically pleasing but have been created with security giving homeowners piece of mind.

STRONG AND SECURE

Whilst all our doors are manufactured using the latest security products, available upgrades mean that all Liniar products can be upgraded to meet the necessary standards, including Secured by Design and PAS24:2016, plus they are fully compliant with the latest relevant divisions of the Building Regulations.

VARIETY OF CHOICES

Available in chamfered or sculptured profile, 28mm double or 36mm triple glazing, with standard four chamber or EnergyPlus six chamber profile – along with threshold choices (including Part M compliant) and a great range of hardware, finishes and glazing options.

Choose from a wide variety of colour options including White, Rosewood, Cream, Irish Oak, and Light Oak. Liniar French doors are also offered in a choice of bespoke colours including Chartwell Green, Grey and classic Black designed to suit any home.
