

Why Choose Liniar French Windows?

Liniar French windows are available in our standard or EnergyPlus range, offering a distinctive style of window to shape the look of a home, combined with the practical function of being able to be used as a fire escape, providing both lower energy usage and security to homeowners.

BESPOKE OPENINGS TAILORED TO SUIT EVERY HOME

Including high security locking, Liniar French windows are available in a wide range of colour choices and offer slim sightlines to let in maximum light giving homeowners a fresher environment.

When you choose Liniar uPVC French windows you can forget worrying about draughts – Liniar’s exclusive double-action bubble gasket, used in all its glazed products, keeps your windows leak-free and weather proof by delivering a continuous seal – even in the corners.

Similar to the styling of French doors, Liniar’s French windows open out from the centre to offer a full width opening and maximum light.
