

Why Choose Liniar Residential Doors?

A front door is the face of your home. It's the last thing you see when you're locking up and the first thing you see when you arrive home. It's the first impression that meets any callers to your home. With a Liniar door you can ensure it's the best you can present.

FIRST IMPRESSIONS

Whether you are looking to add some character to your home, or are looking for some traditional style, Liniar is sure to have the perfect solution.

Liniar's uPVC residential doors are available as opening in or opening out, and are designed to match perfectly with the window range to create a co-ordinated and attractive appearance for your home.

With matching sidelights to let in more light, decorative glazing options, handles, letterboxes and knockers, you can personalise your front door to your exact preferences adding the personal touch to your home.

Liniar residential doors provide both a great aesthetic and are lead-free, and have also been designed to offer excellent levels of security.

FULLY ACCREDITED

Security is a vital component of all Liniar products and our doors are fully accredited to meet the appropriate standards, including upgrades to PAS24:2016 and Secured by Design, and are also fully compliant with the latest relevant sections of the Building Regulations.

AT A GLANCE

There are many options available to ensure the perfect door for each unique customer. Choose from chamfered or sculptured profile, double glazing (28mm) or triple glazing (40mm), with standard four chamber or EnergyPlus six chamber profile. Combine this with a choice of threshold options, disabled ramp thresholds, Part M building compliant or just a simple low PVC threshold, not forgetting the wide range of finishes together with stunning hardware options.
